Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
1036 Longworth House Office Building  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Derry Police Department Regional Mobile Incident Support Unit in fiscal year 2027. The entity to receive funding for this project is the Derry Police Department, located at 1 Municipal Drive, Derry, NH 03038. The funding would be used for a Regional Mobile Incident Support Unit for the Derry Police Department and the 14 partner agencies of the Southern New Hampshire Special Operations Unit. This project will enhance public safety outcomes by improving crime scene processing, accident reconstruction documentation, search-and-rescue coordination, and incident management.

The project is an appropriate use of taxpayer funds because it will replace an aging crime scene processing unit that no longer meets operational or technological demands and will provide a modern, reliable, and technology-integrated platform capable of supporting complex incidents across multiple jurisdictions.

This project has a Federal nexus because it is for the purposes authorized by section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Chris Pappas".
