Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Derry, Londonderry, Windham Police Regional RMS/CAD System in fiscal year 2026. The entity to receive funding for this project is the Town of Derry Police Department, located at 1 Municipal Drive, Derry, NH 03038. The funding would be used for a regionalized records management software and computer aided dispatch police information systems in order to replace outdated technologies. This project will increase interoperability, communications, and information sharing with agency partners and community stakeholders.

The project is an appropriate use of taxpayer funds because the communities seeking funding will now be able to replace and upgrade their outdated records management software and computer aided dispatch systems while alleviating the impact of localized fiscal constraints found across each applicant community. These systems are critical for these departments to remain transparent, responsive, and accountable to the citizens they serve.

This project has a Federal nexus because it is for the purposes authorized by section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)). I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Chris Pappas
