Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Garrison Crossing Housing in fiscal year 2026. The entity to receive funding for this project is the Dover Housing Authority, located at 62 Whittier Street, Dover, NH 03820. The funding would be used for developing a mixed-use commercial and affordable housing project on 13.92 acres of City-owned land to build 116 apartments and 196 parking spaces, including 25 electric vehicle charging stations.

The project is an appropriate use of taxpayer funds because Garrison Crossing Housing will directly contribute to the improvement of Dover's economic, environmental, and social well-being. By investing in essential infrastructure, promoting economic growth, and supporting renewable energy initiatives, the provide will benefit low- to moderate-income individuals and neighborhoods, ultimately fostering sustainable community development and improving overall quality of life.

This project has a Federal nexus because it is for the purposes authorized by 42 U.S. Code § 5305(a)(2).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Chris Pappas".
