Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Pettengill Road Traffic Improvements and Widening Project in fiscal year 2026. The entity to receive funding for this project is the Town of Londonderry, located at 268B Mammoth Road, Londonderry NH 03053. The funding would be used for improving traffic flow and safety on Pettengill Road including traffic signal, timing, and geometric improvements, ultimately widening the road to four lanes.

The project is an appropriate use of taxpayer funds because Pettengill Road is an important state and regional transportation corridor. This project will support local and regional economic vibrancy and contribute significantly to a healthy tax base.

This project has a Federal nexus because it is for the purposes authorized by 23 USC 133(b)(1).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Chris Pappas".
