Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Manchester-Boston Regional Airport HVAC Modernization in fiscal year 2027. The entity to receive funding for this project is the City of Manchester, located at 1 Airport Road, Manchester NH 03103. The funding would be used for replacing aging mechanical, electrical, and control components that can no longer maintain stable temperature, humidity, or air quality in the terminal.

The project is an appropriate use of taxpayer funds because HVAC modernization is essential to maintain Manchester-Boston Regional Airport as a reliable regional transportation hub and economic driver.

The project has a federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Chris Pappas".
