Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Health Information Technology Project to Improve Chronic Disease Management, Health Care Provision and Value-Based Care Preparedness in fiscal year 2022. The entity to receive funding for this project is Community Health Access Network located at 207A South Main Street, Newmarket NH 03857.

The funding would be used to transition to a new health information technology infrastructure so that community health centers would be able to confront significant challenges and improve upon population health.
